ATTENTION DOG, CAT, AND FERRET OWNERS
RABIES CLINIC

**PRE-REGISTRATION
REQUIRED!!**

<http://health.ny.gov/go2clinic/9>

New York State Public Health Rabies Law requires **all dogs, cats, and domesticated ferrets to receive immunization against Rabies no later than four months of age** and NYS Ag & Markets requires **dogs to be licensed at four months of age.**

When attending a rabies clinic, animals must be under control. Dogs must be on a leash. Cats should be transported in a box, crate, pillowcase, or other container. **Animals vaccinated for the very first time must be re-vaccinated the following year. Please bring the previous vaccination records to verify if your pet is eligible for 3 year coverage.**

Please read the following information:

- **July 18, 2020 9:30 am – 11:00 am at the Norwich Fairgrounds.** Please enter the grounds through the gate across from Matthews Ford on East Main Street
- Must pre-register for the clinic. If you have difficulty registering for the clinic please call the Chenango County Environmental Health offices (607) 337-1673 for assistance.
- The clinic will be drive through for checking in, but the animals will need to be removed from the vehicle to receive the vaccination. Please limit passengers to only those necessary to control the animals (children should be left at home if at all possible).
- If you own a cell phone please bring it with you to the clinic.
- Please bring proof of previous vaccinations to the clinic.
- Driver and passengers must wear masks during the check in process and during the animals vaccination
- \$5 donation per animal suggested
