Scheduled for May 1st at the Chenango County  
Fairgrounds**

**PRE-REGISTRATION**

**REQUIRED!!**

**To Register Visit:**

**<http://health.ny.gov/go2clini>**

**c**

New York State Public Health Rabies Law requires all dogs, cats, and domesticated ferrets to receive immunization against Rabies no later than four months of age and NYS Ag & Markets requires dogs to be licensed at four months of age.

When attending a rabies clinic, animals must be under control. Dogs must be on a leash. Cats should be transported in a box, crate, pillowcase, or other container. Animals vaccinated for the very first time must be re-vaccinated the following year. Please bring previous vaccination records to verify if your pet is eligible for 3-year certificate.

**Please read the following information:**

- **May 1, 2021 9:00 am -11:00 am at the Chenango County Fairgrounds.**  
Please enter the grounds through the gate across from Matthews Ford on East Main Street
- Must pre-register for the clinic. If you have difficulty registering for the clinic, please call the Chenango County Environmental Health offices (607) 337-1673 for assistance.
- The clinic will be drive through for checking in, but the animals will need to be removed from the vehicle to receive the vaccination. Please limit passengers to only those necessary to control the animal(s) (children should be left at home if possible).

- Please bring proof of previous vaccinations to the clinic.
- Driver and passengers must wear face coverings while attending the clinic.
- \$5 donation per animal suggested.
- This is the first clinic of the year; others will be offered throughout the County during 2021.

If you have any questions, please contact the Chenango County Department of Public Health, Environmental Division at 607.337.1673 or visit the website [www.co.chenango.ny.us](http://www.co.chenango.ny.us)
